Things to Do Before You Call:

☒ **Have a calendar handy to check your dates.**

Make sure you know the exact day you need the drops to arrive and when you can ship them out again.

☒ **Plan your rentals in advance.**

During peak backdrop rental seasons (ie. December, June, etc.) it may be necessary to place your rental order 6 - 12 months in advance.

☒ **Have your Schell Scenic Catalog on hand.**

Be sure you've reviewed our policies and procedures.

☒ **Choose two or three back-up choices per backdrop.**

Make sure you write down second or third choices per backdrop.

☒ **Check the measurements of your stage and the drops you are renting.**

Schell Scenic drops come in different dimensions. Make sure that your selected drops will fit your venue.

☒ **Have a credit card ready.**

To place a reservation on a backdrop you may be asked to do so with a major credit card.

☒ **Get a purchase order number.**

Some organizations require that we place their purchase order numbers on invoices.

☒ **Write down your Schell order number.**

*We will use this number to access individual orders. **Note: Your signed confirmation is required before your order is ready to process.***

☒ **Know your business address.**

UPS can not guarantee timely delivery to residential addresses. This could cause the backdrops to arrive to you later than expected.
